

CERTIFICATION

WEEE IRELAND 2022

This is to certify that

Automation Supplies Ltd

is participating in the WEEE Ireland Compliance Scheme, approved under the European Union (Waste Electrical & Electronic Equipment) Regulations S.I. 149 of 2014 for the environmentally sound management of WEEE arising from private households or from commercial, industrial, institutional and other sources, which because of its nature and quantity is similar to that of private households including lighting equipment

WEEE Ireland Reference Number; AUT644

Signed

Leo Donovan, CEO.

on behalf of the Board of Directors, Members and Management Team of Waste Electrical and Electronic Equipment (WEEE) Ireland Ltd

WEEE thank you
